

March 20, 2018

Hello SUNYRA Family,

It is time to start planning for the Spring 2018 conference! Our conference will be held June 6th through 8th at the Holiday Inn Downtown in Rochester, NY.

We read your conference evaluations and heard you say you wanted more topics related to Registrar business. As a result, we have an agenda full of topics you can take back and make practical use of on your own campus!

The highlights include:

- The Registrar FAUG Meeting
- A Degree Works Session to discuss those pesky degree applicable credits
- A leadership session discussing how the landscape of higher education is changing and what we can anticipate
- The always popular Dan Knox will join us to provide an update from SUNY System Administration
- Cracker Barrel, Cracker Barrel, Cracker Barrel – (and maybe a contest to rename this session!)
- Registrar Hot Topics – updates on the initiatives SUNYRA is working on

There will also be a keynote address you won't want to miss! And as always, we will mix in a little fun too!

Reservations for the conference can be made immediately. Please review the hotel reservation information attached for specific details. Visit <http://www.sunyra.com> and register today. **Conference reservation deadline is May 15th and hotel reservation deadline is May 6th.** On behalf of the SUNYRA Executive Board, we hope you all can join us at the conference in Rochester, NY!

Sincerely,

A handwritten signature in black ink that reads "Amber Stallman".

Amber Stallman

SUNYRA President

Director of Financial Aid and Student Records, Binghamton University
